1 On March 10, 2010 Solon Corporation filed its Application for Special Contract
2 Approval with the Arizona Corporation Commission. Pursuant to A.R.S. § 40-367, the
3 Commission has 30 days to consider that request. At the request of Commission Staff and in the
4 interest of making sure the Application gets a full and thorough review, the Applicant hereby
5 waives the statutory time period for review. This waiver however, is made subject to the
6 understanding that the Application will be heard and considered no later than the Commission's
7 Open Meeting scheduled for May 26th and 27th, 2010. While Solon has provided this waiver at
8 Staff's request, it is the company's sincere hope and desire that the matter be scheduled for the
9 April 27 and 28th open meeting if at all possible. Time is of the essence for this approval as a
10 sale and purchase of the system to investors is contingent upon special contract approval. Solon
11 is certainly aware of and sensitive to the time constraints and workload of Staff and therefore
12 would like to offer Staff whatever resources or manpower it can provide in order to complete
13 their analysis in as timely a fashion as possible.
